

CHOPTA TUNGNATH TREK 2026

Safety & Operations Brochure

At Peak & River Travels, safety is the core engine of our expeditions. We specialize in student-focused journeys where parents can rest assured that their young adults are guided by certified experts.

The Science of Safety

- 427+ Trekkers Guided safely across the Himalayas.
- 0 Evacuation Incidents to date.
- 12+ Certified Leaders across all active batches.
- 4.8/5 Group Safety Rating.

For Parents: Our Elite Commitments

1. Udyam Registered

Recognized by the Government of India for formal operations. We are a legally compliant travel enterprise.

2. 24/7 Helpline

We provide a dedicated WhatsApp/Call helpline that remains active for parents 24/7.

3. Female Safety First

Every major batch is accompanied by female trek leaders. Separate stays and gender-segregated tents are guaranteed.

4. Daily GPS Tracking

Trek leaders share live locations and daily batch updates to a dedicated Parents WhatsApp group.

Medical & Emergency Infrastructure

1. Medical Grade First Aid: Oximeters, Oxygen Canisters, and BP monitors.
2. Evacuation Readiness: Pre-mapped evacuation routes to nearest base hospitals.
3. Acclimatization Protocols: Strictly designed itinerary to prevent Acute Mountain Sickness (AMS).

Your Himalayan Story Starts Here. Safely.
